

# Be A Reliable Researcher!

Research requires investigative skills. Determine if the websites linked on the agenda are valid and reliable websites.

If they are reliable, explain in a complete sentence what characteristics made them reliable. If you determine them to be unreliable, explain in a complete sentence why they are not reliable. For the purpose of the upcoming project, I chose a relevant topic, game and Internet addiction. You may need to use the agenda page to access the links easier.

1. <http://www.video-game-addiction.org/violence.html>

Is this website reliable? \_\_\_\_\_ unreliable? \_\_\_\_\_

Explain your answer in one complete sentence.

2. <http://www.ncbi.nlm.nih.gov/pmc/articles/PMC558687/>
